**ISO/TC 194/WG 12 Sample preparation and reference materials**

BRIEF MINUTES AND PROGRESS ACHIEVED AT THE MEETING IN HAYAMA-MACHI; JAPAN; ON 24/25 MAY 2000

The meeting was attended by ....16..... delegates from .....6.... countries.

The meeting was chaired by .....Dr. S. Northup.....

WG12 discussed all comments received during the voting on CD 10993-12. The following resolutions were adopted:

- RES 1: To incorporate the revisions agreed upon this meeting and to circulate part 12 as a DIS with target date 2000-12-31.
- RES 2: To incorporate ISO 10993-8 into part 12 and to withdraw ISO 10993-8 after publication of part 12.
- RES 3: WG12 decided to limit part 12 to sample preparation and reference materials for biological methods. Excluded are analytical methods for degradation and chemical characterisation.

Yours sincerely,
