ISO/TC 194/WG 5 Cytotoxicity

**BRIEF MINUTES AND PROGRESS ACHIEVED AT THE MEETING IN BERLIN;
GERMANY; ON 13 MARCH 2002**

The meeting was attended by 19 delegates from 11 countries.

The meeting was chaired by Dr. M.F. Harmand.

The standard was revised. Two changes were performed according to member comments about the problems arising from the use of the standard.

Moreover an Annex was written dealing with risk assessment and acceptance in the framework of cytotoxicity testing. The document will be circulated as a CD.
